Story line

INTRODUCTION:

The video opens with a full moon hanging ominously in the London night sky, casting an eerie glow over a graveyard. The atmosphere is tense, and the streets are deserted. As the camera pans through a desolate London, we hear a haunting melody that sets the tone for the impending narrative.

ACT 1: LONDON UNDER SEIGE

The scene transitions to a lone survivor walking in a darkened alleyway looking to the rising moon he infection began with its appearance

ACT 2: MOONLIT ZOMBIES

Making his way through, they encounter grotesque, moonlit zombies these undead creatures are night crawling through london

ACT 4: MYSTIC INTERVENTION

As the survivor approaches the graveyard cautiously he is attacked, infected and now a nightcrawler
